QUOTES FROM LSU COACH JERRY STOVALL:

"We're still undefeated. I was not happy with some of the things going on but I was pleased with some of the others. I saw a lot of good things. The defense bent but didn't let them in the endzone. Nobody quit."

"We covered about as badly as we can cover on our kickoffs and on our punts."

(About Willie Gault) "We tried to kick away from him every time, but I think he ran about 20-yards across the field to get that one" (The kickoff return for TD)

He's a world class hurdler. I'll take any suggestions you have on how to keep it out of his hands."

~~We were~~

"I thought we handled their speed well, not letting them get behind us deep. They hit the backs underneath a lot."

"Eric Martin made some great catches. I wish he had made them more."

QUOTES FROM TENNESSEE COACH JOHNNY MAJORS

"(In answer to question). No, it's not almost like a win--emphatically not. We played well enough to win, but it's not a win, and you don't settle for ties. However, as long as I live, I will never forget the effort this team gave tonight."

"Going into the game, I knew we would need an excellent effort to win. ISU is an excellent football team, and they played perhaps the best half of a football game against Florida that could be played. Therefore, we would have to play our best, and we could not have given any more effort than we did."

"We had our chances to win, and it was a hard fought game. We were very aggressive tonight, and I hope we can build on this. This is the best game we've played in the last two years."

TENNESSEE TRAINER REPORTS NO INJURIES.

LSU PLAYER QUOTES:

Mike Montz: It wasn't a win and it wasn't a loss. I guess it was a half win and ~~€~~ a half loss and we don't go ~~€~~ for that. That's why it was a great disappointment.

On field goal attempt at end of game: "I ~~€~~ knew he wouldn't make it. I just had a gut feeling."

On early game plan: "We wanted to try to get the inside (running) game going so we ~~€~~ could get the outside game going."

Alan Risher: "I thought we had it won until I turned the ball over. It slipped in my hand. I think it was a little wet, but that's no ~~€~~ excuse. We didn't play consistent in the fourth quarter. I think I lost my ~~poise~~ poise on that last (offensive) play."

On LSU's final drive with two minutes to play in game: "We felt like they'd take ~~€~~ away the out routes and two minutes to go."

James Britt: "At the half we made a few adjustments. We wanted to let them take the short pass and keep Gault contained."

Leonard Marshall: "This team goes back to work now. We have to go back to the basics. The special teams need a lot of work, the offense needs ~~€~~ some work and the defense needs a little work. We fought hard on defense; we really fought hard. But we had a few bad ~~breaks~~ breaks. We were put in bad field position by our special teams and we were ~~€~~ put in bad field position by our offense at times. Defensively we had trouble containing the quarterback."

"I was ~~satisfied~~ satisfied with our pass rush, but you've got to understand, they had a smart quarterback. Like the ~~€~~ time the clock ran out on him and he called timeout just in time. He threw the ball away at the right times and he knew what to do when he was in trouble. You can't sack a good quarterback, a thinking quarterback. .1.

Ramsey Dardar: "The kicking game had a lot to do with it. They (Tenn.) had good field position all night. When our offense got close, things just didn't work out right. Defensively we had our back to the wall ~~€~~ a lot."

"Their kicking game was excellent. Their quarterback is a real smart guy. He played smart ball.."

"I beat the offensive line ~~€~~ all night. Their offensive line is not as well coached as Florida's, but they (Tenn.) have better skilled players."

Tennessee Player Quotes

Kicker Fuad Reveiz on missed 52-yarder

"I thought I made it. I thought it was going to be close. I knew I had the right path, but it just fell short. Everything was fine. The hold was fine. Everything went smoothly.

on successful 52-yarder

"It's OK to hit 9 out of 10 field goals, but our coaches don't teach that. Our coaches ~~xxxx~~ teach perfection."

Quarterback Alan Cockrell

"Overall it was the best game we played all year."

"We didn't win the ballgame, but we fought them to the end."

Linebacker Reggie McKenzie

"We ~~pr~~ practiced blitzes all week long. I like to blitz. We tried to give them different looks and shifts to confuse the linemen.

"I believe that LSU really felt some hitting in ~~this~~ this game. We watched the films of their last three ~~of~~ games, and they got hit some, but tonight their backs and quarterback got some licks they're gonna feel for awhile.

SS Bill Bates

"Coming off the big win against Florida, I don't think they were ready for us. You know we came in as the last place defense in the SEC and they're riding on top of the world."

"We just kept fighting on defense. That's the thing about defense - you have to play with emotion and desire."

"Our quick linebackers contained their backs, and our blitzing got to Hilliard and James as they were getting the ball."

Willie Gault

"I know I can break one every game. Because if everybody does their job and everyone gets someone there's bound to be a crack somewhere. _"

Tennessee Players

Willie Gault on return

"Clear sailing." ~~XX~~ "At about the 25 or 35 somebody touched my ankle but that was it.

"After I made it to the sidelines that was it."

~~XX~~

Reggie White

"That Quarterback draw was killin' us." "The more we blitzed the more mistakes they seemed to make.

"We were on Risher pretty bad. I think he took a beating out there!"~~X~~
